VALUES AND LEADERSHIP SKILLS PROGRAMME

About LEAP Africa

Leadership Effectiveness Accountability Professionalism (**LEAP**) Africa is a nonprofit organization, which is committed to developing dynamic, innovative and principled African Leaders.

Since 2004, LEAP has equipped over 20,000 youth between the ages of 16-30 years with skills and tools that they require to serve as effective change agents in the society through its Youth Leadership Programme. In turn, these youth have initiated high impact social projects in their local communities.

About the Values & Leadership Skills Programme

The Values and Leadership Skills Programme (VLSP) is a three-day workshop designed to inspire, empower and equip Nigerian youth with the life and value-based leadership skills required to cope with life's challenges and serve as exemplary change agents in their local communities. The training challenges youth to act as responsible citizens that model ethical behaviour and contribute to community development Youth Leadership .

The workshop will be offered free of charge to 50 select youth in Lagos, Abuja & Enugu States. Participants will be provided with learning materials during the training and those who satisfactorily complete the programme will receive a certificate of completion.

Sponsors

The Values and Leadership Skills Programme is funded by the Foreign & Commonwealth Office of the United Kingdom Government.

Target Participants

Youth between the ages of 18 to 30, who are passionate about community service and have a strong interest in developing leadership skills.
